Dear Parent/Carer

Christmas Concerts

There will be eight separate concerts this year (two for each phase) which will allow all families to see the performances their children are in.

These are:

Foundation performances. In the KS1 hall.

Key Stage 1 performances - years 1 and 2. In the KS1 hall.

Lower Key Stage 2 performances - years 3 and 4. In the Victorian building hall.

Upper Key stage 2 performances - years 5 and 6. In the Victorian building hall.

You may be aware that the school is now 33% bigger than it was just 5 years ago and we have had to take action to meet fire safety requirements and keep everyone safe during performances. We have taken advice and are required to limit audience numbers in order to keep all occupants safe and fire exit routes clear.

We hope you will appreciate that anyone who comes to any concert must have a ticket. We can provide enough seating in our halls to allow one ticket per family to admit two spectators. This includes any brothers or sisters, so families will need to decide how to allocate their tickets. The only exception here is where a baby can be brought to a performance in a sling. Where families decide to use one of their tickets for a brother or sister these children must be seated and with an adult. We will arrange for pushchairs and prams to be stored outside the school building, as these have the potential to block fire routes.

Yours sincerely

Iain Jones
