Safer Internet Day

Dear Parents/ Carers,

As you may know, today is Safer Internet Day. The global theme is **'together for a better internet'** and this year in the UK the focus is on how young people explore and express their identity online.

Many of our pupils access the internet at home and we would like to take this opportunity to signpost you to some excellent parent resources that have been produced by the UK Safer Internet Centre.

Resources on the parent pages include some conversation starters, quick activities and a family internet safety plan.

All resources can be accessed here: <https://www.saferinternet.org.uk/safer-internet-day/safer-internet-day-2020/safer-internet-day-2020-top-tips/safer-internet-day-2>

There are also some Top Tips pages for children to look at. These are suitable for children as young as 5 to look at with their parents and can be found here:

<https://www.saferinternet.org.uk/safer-internet-day/safer-internet-day-2020/safer-internet-day-2020-top-tips>

I would also like to let you know that we have invited Geoff Woodrow, our school's link PCSO from Bradford District Cyber Team, to deliver an online safety session for parents on Thursday 23 April at 6:00pm. This session will be held in our Key Stage 1 hall and will not be suitable for children to attend. We will send out a reminder about this session closer to the date.

Yours sincerely,

Mrs M Wilson

Deputy Headteacher
