

## Home Learning- Year 3

We have arranged the following to support your child's continued learning.

On our school website the Home Learning page (under the 'Parents' tab) provides your child with links to the login pages to access the software that they have passwords for (such as My Maths). The Home Learning page also has links to other useful websites that they can use to enable them to continue their learning. To access this page on the school website please go to:

### Maths

All children have login details for the following sites, which they can use to complete tasks from home.

- Times Tables Rock Stars
- EdShed - Maths Shed
- My Maths

We have set specific tasks in My Maths and Maths Shed, plus children can access all activities on these sites

### English

- All children have an EdShed login, which allows them to access Spelling Shed. We have set specific activities for them to complete but they can also explore the rest of the site. There are lots of suggestions for writing for different purposes on Purple Mash.

## Activity

1. Complete the assigned MyMaths activities. You can also access various games and extra practice through the tabs.
2. Use Maths Shed to complete the activities based on addition and subtraction, multiplying and dividing by 10 and number bonds to 100. *You can also play any other games on Maths shed.*
3. Use [www.topmarks.co.uk](http://www.topmarks.co.uk) to play 'Hit the Button'. Remember, in Year 3 we learn 3x, 4x and 8x. You should already be great at your 2x, 5x and 10x - but you may want to practice this as well.
4. Practice your times tables through Times Table Rockstars. Use garage to improve your fluency before starting a gig or arena.
5. Use Spelling Shed to practice spellings ending in 'gue' and 'que', as well as some useful homophones. You can play any of the games in Stage 1& 2 and Stage 3& 4
6. Log in to Purple Mash to practice your typing skills. This will help you to become more familiar with where letters are on the keyboard, as well as practicing some high frequency words. You can explore Purple Mash and do any of the activities.
7. Show your understanding of light by playing the shadows game and quiz on Purple Mash.
8. Write about something of your choice. There are lots of ideas on Purple Mash.
