Red Nose Day – Friday 19 March 2021

Dear Families,

We would like the children to take part in Red Nose Day again this year because we know that it is a brilliant opportunity for children to learn about making our world a better place.

We would like to raise money for Comic Relief and so we would encourage children to wear something red along with their uniform on the day – this could be red socks, a red hair bow, a red badge etc. They could also wear a little bit of red face paint or lipstick on their noses to enter into the spirit of the day. We would encourage anyone who does this to make a small donation to the charity.

We do not think that plastic noses are appropriate for children to wear into school this year, so we will not be selling them. We would ask that children do not wear plastic red noses into school because they could potentially pose an increased risk around COVID-19.

We have set up our Parent Pay system so that families who choose to can make a small donation to Red Nose Day without having to send money into school, as we will not collect any cash donations at this time.

If you would like to make a small donation to Red Nose Day through Parent Pay, please click [here](#).

If you choose to, you can also buy Red Nose Day products directly from their website [here](#).

On the day, we will continue with our planned curriculum and will include a PSHE lesson in which children will learn about the direct impact of the charity's work on the lives of children in the UK and the wider world.

Yours sincerely,

Mrs M Wilson

Deputy Hedteacher
