

Year 6 Homework – Spring 2024

Research the Parthenon in Athens and specifically the history of the Parthenon Marbles.	Draw a detailed map of North America and annotate it with key landmarks (some natural and some man-made).	Create a spreadsheet to show costings for equipment needed for a classroom. Use the website www.ypo.co.uk for your information.	Book Review Write a detailed book review on a book you have read this term from the reading scheme.	Compare and contrast Canada and Mexico. How are they similar? What are the most significant differences?
Find a recipe for some Greek food. Make it, eat it, and tell us about it.	Create your own Greek myth. Remember to ensure your myth has a moral message.	Design and make a Greek vase out of any materials.	Create a timeline of Judaism. Include key events from Jewish history.	Family Task As a family, select, prepare and cook a healthy meal which is good for your heart. Write about it.
Choose a national park in North America and complete a fact file about the flora and fauna it contains.	Listen to and appraise or play and record a piece of music by your favourite composer. You can choose one of our composers of the month.	Free Choice	Create an investigation to prove that light travels in straight lines.	Create your own trick-shot using some sports equipment. Record it on video and report on it.
Create a non-chronological report on the different food groups. Make your work colourful.	In French, create glossary of 10 activities you enjoy doing. Present your work creatively.	Use stitching, knitting or crocheting to create anything of your choice.	Family Task Design a game to play together. Explain the rules, try the game and reflect on how successful it was.	Research the structure of a heart in any creature and compare to a human heart. How are they similar? How are they different?
