Friday 24th May 2024

## Parent Survey

Thank you once again to everyone who completed the recent parent survey. Mrs Wilson has written a letter to parents about the survey, which will be sent out along with our other Friday communications.

## Term Time Holidays

We have received a number of late requests for term-time holidays this week. We need to remind parents that holidays taken in term time cannot be classed as authorised absence, and that Bradford Council policy is to issue fixed penalty fines for unauthorised absences which meet certain criteria. Please check our term dates very carefully before booking holidays. You can find detailed information about Bradford Council attendance policies [here](#).

## Local Author, Deane Narayn-Lee

On Thursday, Foundation and KS1 welcomed local author, Deane Narayn-Lee into school to share his book: *The Loving Earth*. The children loved learning all about the history of human impact on the world's climate.

## Year 3's Roman Day

All roads lead to... Menston?! The school has today been invaded by Romans (just for one day!), but some Celts are not best pleased about losing their land. Year 3 have enjoyed a fabulous Roman Day, involving a range of activities, from making aqueducts and mosaics to soldier training.

## All Things Bike!

The good weather has finally hit and for those cyclists amongst us, it's the perfect time to get on our bikes. If you're ready to dig out your bike after the long winter months, it's a good idea to check it is still in good working condition. Have a look at this [short clip from Sustrans](#), which demonstrates how to carry out the important checks you should do before jumping back on the saddle.

If you want to learn to ride a bike, or you're interested in brushing up on your skills, [check out this course](#) in the local area.

## Give bikes room...

Driving too close to cyclists can be intimidating and also very dangerous. Remember they need room in case they have to swerve to avoid drains or uneven road surfaces. When overtaking, the Highway Code recommends leaving at least 1.5m metres (more if speeds exceed 30mph).

Remember, cyclists and motorists are equally entitled to use and share the same road space. To make our roads as safe as possible, we all need to be aware and respectful of each other. Read the full updated Highway Code [here](#).

## Attendance

This week's whole school attendance was 94.35%  
The class with the highest attendance this week is **Sycamore** with 98.57% attendance! All children have an attendance target of at least 97% and attendance that falls below 95% will be followed up.

## This Week's Activities!

Year 4 children enjoyed pond dipping and were able to compare the organisms they found to the ones they found at the start of the half-term!

They were also excellent at using their classification keys to identify what they caught...

## NHS Jump Aboard Drop-in Sessions

The School Nursing Team will be holding drop-in sessions at The Rainbow Family Hub, Braithwaite Grove BD22 6JB on 4th June and 2nd July.

The sessions run as a flexible drop-in and sign-posting consultation approach, providing an opportunity for parents to voice concerns. It's for families to discuss and receive support and advice around any concerns that they may have around a child's education or development.

Please see the attached leaflet, which has been emailed to all parents. [Click here](#) to view the Family Hub timetable, which offers a range of services and drop-ins throughout the Bradford district for children and families.

## School Lunch Menu — W/C: 03/06/2024 Week 3
