

Year 2 Weekly Letter
Week beginning: 3.3.25

This Week's Learning:

In **English** children will be publishing their posters to teach other children different ways that they can look after their mental health.

In **Maths** we will be continuing our learning about multiplication and division, including looking at odd and even numbers.

Reading: Please ensure that reading record books have been signed. Green spelling books should be kept in book bags. Please can we ask that **all** children are reading with an adult at least 3 times each week at home.

Spellings: The spellings that will be tested on **Friday 7th March** are:

can't	couldn't	wasn't	haven't
didn't	it's	I'm	I'll

Everyone has the same spellings this week, as they are the Y2 common exception word list that children need to be able to read and spell by the end of the year.

Big Talk Homework: We are learning about objects with moving parts, including levers, as part of our DT topic. Can you find any items at home that have moving parts? You could draw them, take pictures or write a list.

Homework: In reading folders, we send a maths and SPaG sheet home for children to complete every Friday. There is no expectation to return these once completed.

PE and Outdoor Learning: Children need to be in PE kits on Fridays. We have outdoor learning on Fridays so please make sure that children have plenty of layers and a waterproof coat.

Communication: A reminder that if parents need to pass on messages, this can be done using the year group email: year2@menston.mt.co.uk or via the school office. If the message is regarding pick up, drop off arrangements or absence, please send these to the office.

Many thanks,
Ms Baker & Mrs Riley

Key Dates: Key Dates: Upcoming Dates for your Diary

Library Visits: 31.3.25, 19.5.25, 14.7.25 – If you are able to volunteer to help with any of these dates, please email the Year 2 email.
