

History: The Romans

5 points each:

- Make a Roman mosaic using art materials or alternatively make an outdoor mosaic using natural materials.
- Research Roman numerals and write your own Roman sums.
- Research the many gods the Romans worshipped. Can you make your own Top Trumps inspired cards? More ideas and information can be found here:
<https://www.pinterest.co.uk/pin/171207223321807274/>

10 points each:

- Research about Boudicca and the Celts who fought against the Romans. Consider whether you would have fought the Romans when they invaded Britain or whether you would have agreed to live by their rules.
- Write a diary entry as if you were a Roman soldier. What would you be doing? What would you be wearing? How might you be feeling?

10 points per completed book:

There are lots of non-fiction books about the Romans but there are also some fiction texts such as:

- Romans on the Rampage by Jeremy Strong
- Empire's End - A Roman Story by Leila Rasheed
- The Thieves of Ostia by Caroline Lawrence

Extra ideas:

- Do a virtual tour of Ancient Rome here:
<https://www.youtube.com/watch?v=NZ2NWXp-1Y4>
- Visit the 'Ancient Worlds' gallery at Leeds City Museum.
- Visit York Minister to see evidence of the Romans.

Free choice:

What else would you like to learn about the Romans? We look forward to seeing what you find out.

How many points can you score?

Name: _____

Points: _____

Summer Half Term 1 Year 3 Learning Challenges

P.E : Throwing and catching

5 points each:

- Practise the correct technique for catching a ball.
- Throw a ball in different ways (e.g. high, low, fast or slow).

Maths

- Practise times tables on TTRS and Hit the Button.
- Have a go at the grid game to speed up recall of times tables.
- Investigate coins and notes and compare values.

Science: Light

5 points each:

- Go on a light hunt around your home and garden and see how many sources of light you can find. Can you sort these into natural and artificial light sources?
- Research a famous scientist who made a famous discovery regarding light. For example, you could find out who invented the lightbulb or the torch. You can present your findings however you like.

10 points:

Create your own shadow puppets. More inspiration can be found here:

<https://www.youtube.com/watch?v=yqmXAm1Cw3k>

Extra ideas: Can you create your own investigation or experiment linked to light and shadows? Present your findings in any way you like. Remember to make sure it is a fair test.
