## Additional Information

- **Sign-Up Process:** Mr Langan will visit classrooms during the first week of school to register children for their specific club days. A register will be created for the term.
- **Priority:** Children who do not get the chance to sign up in the first term will have priority in the next term, ensuring everyone has an opportunity to take part.
- **Sports:** The focus sport for this term will be Football. Each term, the sport will change depending on interest, with children given the opportunity to have a say in what sport they would like to do (in line with what is possible to deliver in the quad area).
- **KS2 Procedure:** Children will line up outside the ball court in a sensible manner before their session.
- **KS1 Procedure:** For Year 1 and Year 2, Mr Langan will collect children directly from their playground before the club begins.
- **Weather:** Clubs are weather dependent and may be rescheduled or cancelled in the event of unsuitable conditions.
