Winter Illness

As the colder months approach, we can expect to see increases in common airborne viruses. Illness is the biggest single reason for school absence; while some absences due to illness are unavoidable, many can be reduced through simple, proactive measures that minimise the spread of infections. [Click here](#) to view the latest NHS guidance for preventing and controlling infections. Parents and carers can also access [this useful resource](#) from the NHS to help them decide when children should stay at home.

Parent Consultation Meetings

The parent consultation meetings will be held on **Monday 19th and Thursday 22nd January 2026, 3:30-6:30pm**. **Please note: these meetings are only for years 1 - 6.** Today, parents and carers will have received a short, written report, which will give you information in preparation for your meeting. Meetings will be held in the KS1 hall for children in Y1 and 2 – please enter and exit via our main school office. For children in Y3, 4, 5 and 6, meetings will be held in the KS2 hall – please enter and exit through the school doors on Main Street. We respectfully ask that everyone adheres to their 10-minute allocated appointment and, if more discussion time is needed, please make arrangements to see your child's teacher for a follow-up meeting. Running over your allocated time has an impact on other families' appointments. If you are having difficulty booking an appointment via Arbor, please contact the school office.

Reminder to Parents: Please Park Safely and Considerately

We've received reports of unsafe parking practices, including mounting pavements, parking near junctions, and using private driveways or parking spaces during drop-off and pick-up times. These actions can endanger pedestrians and inconvenience local residents. This is particularly affecting residents of Ling Court, which sits opposite to St Peter's Way. Please ensure you park legally and responsibly to keep everyone safe and maintain good relationships with our community. Thank you for your cooperation.

Have your say - Best Start in Life and Family Hub logos

Since 2023, the Family Hub Start for Life logo has been used in the Bradford District to label:

- Family Hubs, and their services for families with children of all ages,
- Specific 'Start for Life' services for families who are pregnant or with babies and young children.

Following the government's introduction of a new '[Best Start in Life](#)' national website and logo, we are asking Bradford District's families to help decide how we adapt to this change.
