### NSPCC Number Day

Today we were thrilled to celebrate Number Day 2026 in support of the [NSPCC](#). The school was filled with fantastic number-themed outfits, from sports tops and numbered caps to creative homemade designs. We were really impressed by the effort and enthusiasm from pupils across the school. Throughout the day, pupils took part in a variety of fun and meaningful maths activities, all helping to build confidence and spark curiosity around numbers. Number Day is a brilliant opportunity to make maths enjoyable and accessible, and it was fantastic to see such positive engagement from everyone. We would also like to extend a huge thank you to all families for their generosity. Your donations help the NSPCC continue its vital work, including services such as [Childline](#), which provides essential support for children and young people whenever they need someone to talk to. If you haven't yet had the chance to contribute but would still like to, donations can still be made via our [JustGiving](#) page.

### Founders Day - Cake Sale Fundraiser

After the huge success of previous years, we are holding a cake sale to celebrate Founders Day (a significant day in the Scouting Calendar) to raise money for the much-needed new Scout and Guide Headquarters in Menston. **The cake sale will be held on Friday 13th February, after school, 3:15-3:45pm in the UKS2 playground.** Cash and card payments will be accepted. We are politely requesting that families bring homemade or shop bought cakes into school on the morning of Friday 13th February to sell at the end of the day. All cakes should be nut and sesame free and clearly labelled for those with allergies. Children part of the Scouting and Guiding movements are welcome to wear their uniform into school that day to raise awareness of the cause. A selection of treats will be available to those children who attend Care Club on a Friday afternoon should they wish to purchase a cake to take home (cash donations only please). Please support us to raise funds for this proposed community asset and let's see if we can surpass the money raised in previous years! Thank you for your continued support and helping to Make Our World (and Village!) a Better Place.
